Our animal sanctuary in Old Whittington, Chesterfield is home to unwanted, abandoned and disabled pets, dog, cats, horses, ponies, small animals and wildlife. The centre provides a pet adoption service but if animals are not able to find a new home, they stay with us for life. We rely entirely on fundraising and the support of the local community to continue our work.

Our wildlife rescue service runs throughout the year. If you would like to support local wildlife in your area, you can help by becoming a Wildlife Angel. When you join us, you become part of a team who care for injured wildlife and who are working everyday to successfully rehabilitate and release wildlife back to their natural habitat. Your membership makes all this possible.
